## Resumen

Una aventura épica en la locura, esta serie de cuentos corta historia alternativa, explora las cadenas que atan al espíritu humano a la repetición de la supervivencia.

~~~

Información por sí sola no tiene la verdad en sí misma, hasta que parte de su conjunto se pasa por alto, ignorado o eliminado, de lo cual incluso lo obvio puede ser entendido, aceptado o rechazado.

Los Estados Unidos y la Unión Soviética, dividido por el punto de vista, pero unidos en la batalla, encontrará al final de una guerra, el comienzo de la siguiente, la marcha de la palabra impresa hacia el máximo poder, siempre y sólo por la distancia que podía cubrir.

## Prólogo – Español

**S**in absoluta como la verdad nos aventuramos, en la mente, en el cuerpo, espíritu, somos libres de dudar entre la realidad y los sueños en busca de una supervivencia digna de nuestra dignidad. Hasta que la realidad, o lo que sea suelta la construcción de tales, nos encontramos envueltos por, nos arrastra de nuevo en la dura-delira aquí y ahora, hacia la carga y el compromiso a través del cumplimiento y la lucha que las pruebas de nuestros sueños de la verdad.

Quizá la verdad no era lo que había soñado que era, las palabras y sus sentimientos obligatoria a menudo nublan nuestras definiciones de los conceptos más comunes. Que aún se hablan entre la ironía palabra sin ser irónico? En un mundo donde el uso más común de vueltas como ser su única definición, es lo que lucha, en una

broma lo que casualmente humor, para sobrevivir, entre los que se ríe con nuestras verdades, ya que se ríe de nuestros sueños, aunque nunca ni tampoco a cualquiera con este Fragmento Tierra.

**N**o, él es más corta, pelo oscuro, uniforme del ejército estadounidense.”

“Oh, elegir sus palabras más sabias. De esta manera,” mi búsqueda frenética seguido la sugerencia de su dedo en el túnel extrañamente iluminada.

“Los Estados Unidos?” respondió el oficial que sigue, “Vivo o muerto?”

“Vivir!” Yo insistí.

“Subir las escaleras una docena de pisos, si te das prisa.”

“Todo el mundo importante,” respondió el dígito en la parte superior, “viene de alrededor de esa esquina no,” como me resultó.

## Preface – English

**W**ith no such absolute as truth we wander; in mind, in body, in spirit, we are free to waver between consciousness and dreams in search of a survival worthy of our worthiness. Until reality, or whatever loose construct of such we find ourselves engulfed by, pulls us back into the stark-raving here and now, toward burden and commitment through fulfillment and struggle it tests our dreams for truth.

Perhaps truth was not what we had dreamt it was; words and their compulsory feelings often cloud our definitions of the more common concepts. Who even among you speak the word irony without being ironic? In a world, where our most common use of such turns out to be its only definition, do we struggle, in a joke thereby so coincidentally humorous, to survive, among that which laughs with our truths as it laughs

at our dreams, while never neither does to  
either with this Fragment Earth.
